

RODENTICIDES
(Fargro Horticultural Sundries Catalogue)

This is a catalogue of products for Fargro's South East UK distribution area only.

Unless otherwise indicated these products are for professional use only; operators must have had training and be suitably qualified to use them.

For approved pesticide products, details of any Specific Off Label Approvals (SOLAs) or any use under the Long Term Arrangements for Extension of Use (LTAEU) have not been listed here.

Any approved pesticide product must be stored and used in accordance with the code of practice on pesticide use. Details on pesticide training, regulations, the code of practice on pesticide use, approvals and any allowable off label use are available from the [Chemicals Regulation Directorate website - www.pesticides.gov.uk](http://www.pesticides.gov.uk).

Information is believed to be correct at time of compilation but pesticide approvals and products change frequently. Products and or approval numbers listed here may no longer be valid. Similar products may replace those listed.

More information on the products may be available from the manufacturer's own website or contact Fargro.

If you require a specific product not listed here please contact us as we can usually help.
