

Measuring Equipment

pH Meters

pHep waterproof pocket pH tester

Pocket tester with simultaneous display of pH & temperature on a dual level LCD screen. Auto temperature compensation & auto calibration at 1 or 2 points with choice of 5 memorised buffers. Other features include an auto-off switch, hold facility, and user replaceable pH electrode with a clogging resistant fibre junction. The waterproof casing with rubberised body floats in water, and has a pocket clip.

Fargro Code: MEPPH

pH Buffers

Tablets to be made up with 100 ml distilled or deionised water.

Fargro Code	Description
BUFT4	Buffer Solution PH.4 single
BUFT7	Buffer Solution PH.7 single

Conductivity Meters

Meter Pen EC DiST WP 4. (Conductivity)

Pocket conductivity tester. Accuracy $\pm 2\%$ Full Scale. Range 19.99 mS/cm / 0.01 mS/cm. Battery life approximately 350 hours

Fargro Code: MEPEC

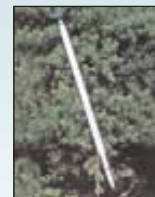

Conductivity Test Solution

Conductivity test solution 1413 μ S/cm at 25°C.

Fargro Code	Description
MEC2	Meter Solution Sln. 100ml

12" Soil/Hotbed Thermometer

Slot cut into front for easy viewing of the thermometer. A red knob on the top enables the thermometer to be easily located once plunged into the soil.

Fargro Code: THS012

Digital Max-Min Thermometer

Easy to read large displays with outdoor cable and $^{\circ}$ C and $^{\circ}$ F switch.

Fargro Code: THDIGI

Max-Min Thermometer

Fargro Code	Description
THMM	Max/Min Thermometer Magnet
THMP	Max/Min Thermometer push button

Measuring jug

Plastic measuring jug.

Fargro Code	Description
JUG250	250ml , 5 ml increments
JUG500	500ml, 10 ml increments

Weighing Scales

Ideal weighing scale for all applications within industry and laboratories. The wipe-clean housing and keypad has non-slip rubber feet for firm and stable positioning. An impact-resistant ABS case incorporates a membrane keypad. 17mm LCD display with large digits and function indicators.

Requires 1 x 9v PP3 battery or AC/DC power adaptor.

MCAL-SC Calibration Certificate issued at 3 points: 25%, 50% & 75% of capacity.

Additional points at £15 per point

Technical Specifications:

MB-2K

Range:	0 to 2kg / 4lbs
Resolution:	1g / 0.0353oz
Accuracy:	$\pm 3g$ / $\pm 0.106oz$
Power:	1 x 9V PP3 battery or 300mA AC/DC power adaptor
Dimensions:	210 x 150 x 40mm (150mm dia pan)

Optional weighing bowl is available
