

Melcourt Industries Grower Products

Fargro have now been appointed as agents for Melcourt Industries who have been supplying professional growers with bark-based growing additives and peat replacements since the early 1980's. True specialists in their field they have built up an enviable reputation for clearly understanding customers requirements, providing consistently high quality products that also represent great value for money.

Products from the Melcourt range are sold in bags and loose bulk loads.

Grower Range include

Melcourt Potting Bark™ - SA

A matured, European pine bark chip, mid to dark brown in colour, with virtually no fines, designed for incorporation into peat-based or peat-free growing media, to improve both air-filled porosity and long term structural stability. Also an excellent pot mulch to suppress weed, moss and liverwort growth. Available in 70 litre bags

Melcourt Propagating Bark™ - SA

A fine, substantially dust free, matured, European pine bark designed for use in mixes with peat or suitable alternatives for the vegetative propagation of nursery stock and a wide range of other plants. Also an excellent pot mulch to suppress weed, moss and liverwort growth.

Available in 70 litre bags

Melcourt Orchid Bark™ Coarse - SA

A chunky, fine-free pine bark, designed for use in orchid composts where it provides extremely free drainage and long-term structural stability.

Available in 70 litre bags

Melcourt Sylvamix®

A standard peat free potting compost

Available in 70 litre bags

The following products are also available to order dependent on volume:
